Dear Mr. Blake:

PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, hereby submits two copies of the exploration data compiled from the "2001 Mill Fork/Joes Valley Drilling Program" (State Lease ML-48258), including lithologic logs, geophysical logs, coal summary and report of water observed. Drilling commenced on July 16, 2001 and was completed on August 13, 2001. A total of seven holes were completed detailing the geologic / hydrologic characteristics of coal reserves in State Lease ML-48258. The following summary outlines the drill hole information submitted along with the hole abandonment documentation:
